NATURE CAMP 2024

July 8-12

July 22-26

For Ages 8 through 12

Happy Campers come to Nature Camp!

Generously Supported by:

Do you know a child who loves to explore, learn and go on adventures?

Or do you know a child who just might blossom if given the opportunity to do those things?

The wealth of our region is an adventure just waiting to be explored and to teach lessons in our region's wildlife, water and working ranches. Lassen Land and Trails Trust's **NATURE CAMP** is a child's ticket to the great outdoors!

Our program is rooted in the basics of environmental science, math, language and the arts...and it's **FUN!**

A professional staff and a wide range of regional experts in everything from hydrology, geology, archeology, wildlife biology, and outdoor survival skills lead campers in daily field trips.

Campers will discover all that's unique about our Lassen home! From alpine meadows and forests to high desert, streams and lakes, Nature Campers spend their days on adventures where they explore while they learn.

Discover the wonders of your Lassen home!
